About Me

My College

Indian Institute of Technology Bombay

My Hobbies

Playing and Watching Football

Travelling and Visiting New Places

Interacting with People

Hello! My name is Yash, and I'm currently pursuing a B.Tech at IIT Bombay. I have a deep passion for football, both playing and watching the game. Beyond the football field, I love traveling to new places and immersing myself in different cultures and experiences. Interacting with people is another joy of mine, as I find great value in connecting with others and sharing stories.
